

CW NET PROTOCOL

QST QST QST de (your callsign) with the ARAC 10 meter CW net.

Good evening to all on freq. My name is (your name) and I will be NC for the net this evening.

All stations wishing to participate please QNI.

A R A C de (your callsign) QNI ? K

(take each checkin at the QNI and ask them to A S .)

After you acknowledge all QNI you return and ask each one to chat a little bit.

After they have finished you say thanks and let them QNX at will.

After you have allowed all to chat you ask for anymore QNI.

A R A C de (you callsign) QNI ? K

If there are QNI you let them chat.

If no more QNI you close the net .

Hearing no more QNI this has been the A R A C 10 meter CW net

.
I would like to thank all that QNI.

QNX QNF DE has been (your callsign). I will now close the net and say 73.
